Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

On April 15, 2004, a small entity assertion was erroneously filed with this application.

This assertion of small entity status in this application and the payment of fees as a small entity were made in good faith.

It has now been discovered that such status as a small entity was established in error.

This error was unintentional and without deceptive intent. Applicants should have paid the requisite fees as a large entity.

37 CFR 1.28(c) provides that if small entity fees are paid in good faith and it is later discovered that such small entity status was established in error, the error will be excused upon payment of the deficiency between the amount paid and the amount owed.

Therefore, Applicants hereby submit this Notice in compliance with the submission and

itemization requirements of MPEP 509.03, 37 CFR 1.28(c)(1) and (c)(2).
